

AUTO-HR

LIQUID HAZE / STAIN REMOVER
APEO/NPEO FREE

AUTO-HR is a non-hazardous haze/stain remover formulated to remove Plastisol, Water-Based, and UV ink stains. AUTO-HR is ideal for automatic screen washing and reclaiming machines. AUTO-HR is safe on all types of mesh/fabrics.

Advantages

- Ideal For Use in Automatic Reclaiming Equipment
- Easy to Use
- Economical - Can Be Diluted 1:1 With Water
- Low Odor
- High Flash Point
- Non-Hazardous
- High Load Capacity to Reduce Usage
- Safe On All Types of Mesh
- Does Not Contain Alkylphenol Ethoxylates (APEO) / Nonylphenol Ethoxylates (NPEO)
- Does Not Contain HAPS (Hazardous Air Pollutants)

Application - Reclaim Machines

AUTO-HR can be used full strength or diluted with water depending on ink stains or machine reclaim speed.

Application - Manual

AT THE SINK:

Use full strength. After removal of ink, emulsion, block-out and tape, apply this product to both sides of the screen. Scrub both sides of the screen and allow the product to penetrate. Starting at the bottom of the screen, high pressure water rinse both sides of the screen.

1. Apply

2. Scrub

3. High Pressure Rinse
