CLEAR VIEW®

Glass Cleaner Concentrate

General Description

CLEAR VIEW® is an all purpose, concentrated glass cleaner formulated to be streak free. CLEAR VIEW® can be applied manually or used in automatic glass cleaning machines. CLEAR VIEW® will clean and leaves the substrate free of oils, contaminants, and residues.

Advantages

- **Easy To Use**
- **Streak Free**
- **Economical**
- **Concentrated**
- **Pleasant Odor**
- **Non-Hazardous**
- **Ideal For Exposure Units**
- **Ideal For Light Tables**
- **Ideal For Automatic Glass Cleaners**
- **Can Be Used As A General-Purpose Cleaner**

Application

Prior to use: Dilute 1 part CLEAR VIEW® to 3 parts water.
Spray CLEAR VIEW® directly on substrate and then wipe off.
Use a clean, dry, lint free cloth or squeegee.

Quick Tip:

To speed up the cleaning process: Apply CLEAR VIEW® and squeegee off to one side. Then use a clean towel to wipe down. Give it a try today.
