Quick Tip:

Allow product to dwell longer, 10 - 15 minutes, for tough stains.

A good pressure washer will make your job easier.

1. Apply ENVIROHAZE® on both sides of screen.

2. Scrub screen with non-abrasive pad or brush. Allow product on to dwell on screen 2 to 5 minutes.

3. High pressure rinse - starting at bottom on the print side of the screen. Reverse screen and high pressure rinse.
