Graphic EnviroWipe®

NATURE'S PRESS WASH

GENERAL DESCRIPTION

Graphic EnviroWipe® is a natural solvent-based press wash and screen opener. It is designed for the removal of UV and Conventional Inks without attacking the emulsion. This product will protect the fabric from deep stains or ghosting from the image print.

ADVANTAGES

- Natural Solvent Based
- Emulsion Safe
- Non Flammable
- No Hazardous Air Pollutants (HAPS)
- Low odor
- Non Toxic
- High load capacity to reduce usage
- No Residue
- Used as a parts washer or recirculating cleaner
- Mesh safe

APPLICATIONS

Always card excessive ink from screen. Use one of the following applications.

"PRESS WASH/SCREEN OPENER"

Apply product on both sides of screen and then wipe or squeegee off until all residue is gone. Graphic EnviroWipe® works extremely well when cataloging the screen.

"RECIRCULATING WASH"

Graphic EnviroWipe® can be continuously recirculated until product becomes too heavily soiled with solids. Used product may be filtered and reused. Dispose of used product in accordance with state, local, and federal regulations.

Quick Tip:

To cut down on the number of rags it takes to clean a screen, use a non absorbent scrub pad to liquify the ink and a squeegee to pull all the ink to one end of the screen and wipe up with one or two rags.
