

FA Series

FULLY AUTOMATIC SCREEN RECLAIM

Chemical Consultants, Inc. offers the FA Series, which has revolutionized the screen reclaiming process. All reclaiming operations: ink removal, emulsion removal, dehazing and degreasing are accomplished internally at an unparalleled speed. The FA Series increases productivity, reduces labor costs, and eliminates employee chemical exposure. The advanced features and user-friendly functions surpass all other comparable technology.

The CCI Advantage

It's what's on the inside that counts.
