

HPW Series

AUTOMATIC HIGH PRESSURE WASHER

Chemical Consultants, Inc. offers the HPW, which revolutionizes the reclaim procedure. Inks and emulsions can be removed at unparalleled speeds. The HPW increases productivity, reduces labor costs, and ensures consistent results. This unit also dramatically reduces the employee exposure to the rinsing of chemical residue. The advanced features and user-friendly functions surpass all other comparable technology.

HPW Series

Product Overview

- ❖ Stainless Steel Construction
- ❖ Capable of Cleaning 600+ Screens per Shift
