

# Chemical Consultants INCORPORATED

## LHR+PLUS

## Liquid Haze Remover

### General Description

LHR+Plus is a semi-viscous ghost/image stain remover that is designed for all ink systems. LHR+Plus is a very aggressive stain remover which will remove stains within seconds. LHR+Plus should not be left on the screen for more than 3 minutes. This product cleans mesh of stains with less noticeable odor and works better than most paste stain removers.

### Advantages

- Fast Acting
- Biodegradable / Drain Safe
- Low Odor
- Low VOC (Volatile Organic Compound)
- High Load Capacity To Reduce Usage
- Non Flammable
- Mesh Safe
- Ideal For Use On Multiple Deep Stains
- Contains A Proprietary Mesh Protector

### Quick Tip:

Flood rinse (hose pressure) the screen prior to the high pressure step.

This will eliminate the product from being atomized in the air (blow back)

1000 P.S.I.

*\*Use of a High Pressure Unit Greatly Increases Product Performance.*

### Application

**Step 1.** Apply LHR+Plus to both sides of a wet screen.

**Step 2.** Scrub screen with non-abrasive pad or brush. Allow screen to sit for up to 3 minutes.

**Step 3.** High pressure rinse - starting at bottom.
