LSR-30

Liquid Haze Remover

General Description

LSR-30 is a semi-viscous ghost/image stain remover that is designed for all ink systems. This product cleans mesh of stains with less noticeable odor and works better than most paste stain removers.

Quick Tip:

Flood rinse (hose pressure) the screen prior to the high pressure step.

This will eliminate the product from being atomized in the air (blow back).

Advantages

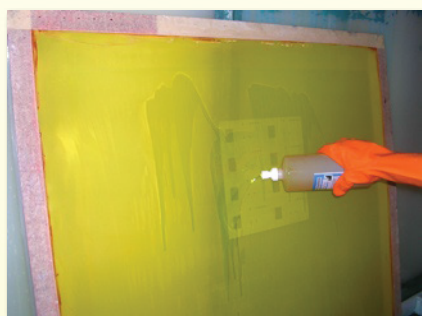

- **Fast Acting**
- **Biodegradable / Drain Safe**
- **Low Odor**
- **Low VOC (Volatile Organic Compound)**
- **High Load Capacity To Reduce Usage**
- **Non Flammable**
- **Mesh Safe**
- **Ideal For Use On Multiple Deep Stains**
- **Contains A Proprietary Mesh Protector**

**Use of a High Pressure Unit Greatly Increases Product Performance.*

Application

Step 1. Apply LSR-30 to both sides of a wet screen.

Step 2. Scrub screen with non-abrasive pad or brush. Allow product to sit on screen for up to 10 minutes.

Step 3. High pressure rinse - starting at bottom.
