

General Description

ProChem® Dehazer 150 is a semi-viscous ghost/image stain remover that is designed for all ink systems. ProChem® Dehazer 150 cleans mesh of stains with less noticeable odor and works better than most paste stain removers.

ADVANTAGES

- **Fast Acting**
- **Biodegradable / Drain Safe**
- **Low Odor**
- **Low VOC (Volatile Organic Compound)**
- **High Load Capacity to Reduce Usage**
- **Non Flammable**
- **Mesh Safe**
- **Ideal for use on Multiple Deep Stains**
- **Contains a Proprietary Mesh Protector**

Quick Tip:

Flood rinse (hose pressure) the screen prior to the high pressure step.

This will eliminate the product from being atomized in the air (blow back)

Application

**Use of a High Pressure Unit Greatly Increases Product Performance.*

Step 1. Apply Dehazer 150 to both sides of the screen.

Step 2. Scrub screen with non-abrasive pad or brush. Allow screen to dwell up to 10 minutes.

Step 3. High pressure rinse - starting at bottom.
