# ProChem<sup>®</sup> HAND PRO<sup>®</sup> WIPES

WATERLESS HAND WIPES

ProChem<sup>®</sup> HAND PRO<sup>®</sup> Wipes are waterless cleaners ideal for removing plastisol inks, water-base inks, paint, grease, lubricants, adhesives, and much more. They are extremely versatile and can be used for nearly any job. They are ideal for wiping hands, cleaning tools, cleaning machinery, and other surfaces.

These wipes are industrial strength, yet gentle on the skin. They won't crack or dry hands.

Dual sided, premoistened wipes - A Textured side for scrubbing tough soils and a Smooth side for wiping surfaces clean.

ProChem<sup>®</sup> HAND PRO<sup>®</sup> Wipes do not leave behind a residue. The wipe solution dries on its own and leaves a pleasant scent. No rinsing required.

## Advantages

- Pleasant Odor
- No Rinsing
- No Residue
- Air Dry
- Dual Sided Wipe
- Contains Conditioners
- Quickly Dissolves Ink and Adhesives

## Directions

Unfold wipe and use to clean hands or surfaces.

## Dispensing

Remove lid by lifting upward. Cut open the top of the bag. Unsnap green hinged cap. Pull wipe from the center of the roll. Pull wipe through the green tab. Close the lid. Pull wipes a 90° angle to dispense. Snap green tab closed after use to ensure wipes stay moist.

Net Contents: 150 Count 9.25" x 12" (23.5cm x 30.5cm)
